IN THE FIFTH DISTRICT COURT OF UTAH IN AND FOR IRON COUNTY

IN THE MATTER OF THE GENERAL  
DETERMINATION OF WATER RIGHTS  
IN THE  
ESCALANTE VALLEY DRAINAGE AREA  
#2118

ORDER OVERRULING PROTEST AND  
OBJECTIONS OF MAX O. STEWART

In Re: Claims Nos. 490, 491, and  
569, at Pages 236 and 237

Max O. Stewart, by his counsel Sam Cline Esq., having presented his protest against limitations fixed in the State Engineer's Proposed Determination as affecting water rights allowed under the above numbered claims, and said matter having come on for hearing the 18 day of July 1960, at Fillmore, Utah, said claimant being represented by his counsel and the State Engineer being represented by Hubert E. Lambert, Deputy State Engineer, and Richard E. Boyle, Assistant Attorney General, and the court having duly considered the record and files herein and the arguments presented by respective counsel, and being of the opinion that when due consideration is given to the explanatory matter contained in the "Remarks" column of the Proposed Determination with respect to the above numbered claims, and to the chain of title under which said protestant claims title to the parcels of land and the water rights involved in his protest herein, the said protest is not well-taken, it is therefore

ORDERED

That said protest is overruled and denied.

Done this 24 day of April 1961.
